

RISHI[®]

Ductile Iron CNC Threaded **COUPLING / COLLAR**

Ductile Iron has Three times more durable life than Mild Steel
& Two times more durable life than Malleable Iron.

· Manufacturer & Exporter : **RISHI CAST PVT. LTD.** Veraval (Shapar) - Rajkot (Guj.) INDIA.

Ductile Iron CNC Threaded Coupling/Collar & Adaptor

RISHI CAST manufacturer the most complete line of Ductile Iron (DI) couplings in the industry, in different sizes /weights and features tested designs backed by over two decades of proven performance in casting and other allied products. RISHI CAST have earned a reputation for consistent, superior performance and stringent quality tests, any one can have full confidence in our quality and reliability.

The dimensional flexibility of RISHI couplings ensures high DURABILITY or simply bigger life span by making it high RUST-RESISTANT and LEAK PROOF seals on pipe material: cast iron, Galvanized Iron and ductile iron when compared to ordinary MS coupling. RISHI couplings are covered with rust-free paint and is encapsulated with polyethylene cover and couplings are packed in small and hard corrugated box (of 30 such units of couplings) packaging ideal for shipping anywhere in the world. RISHI CAST makes fast delivery of stock items with minimum order required. For special applications, our custom design service can supply couplings to individual customer requirements.

FEATURES:

Connection Type : CNC - Threaded (NPT, BSPT, BSPP)

- ◆ High Finish Standards-Elevated dimensional accuracy-Robust design.
- ◆ Positive seal against infiltration and ex-filtration.
- ◆ Leakproof, rustproof and are resistant to chemicals, ultraviolet rays, fungus growth, and normal sewer gases
- ◆ Conforms to DI grade 500/7 or as per required.
- ◆ Connects pipes of same or different sizes and materials quickly and easily
- ◆ RISHI couplings have high corrosion-resistance with respect to ordinary mild steel/GI Couplings

TECHNICAL SPECIFICATION:

SPECIFICATION	TENSILE STRENGTH	ELONGATION	BRINELL HARDNESS
ISO 1083 (87) -500/7	500 KN	7 %	170 -230 HB

Other products by RISHI CAST : (website : www.rishicast.com)

- ◆ In DI (all Std range)- Bore Caps, Flanges, Submersible Pump Adaptors.
- ◆ In SS (202/304) - Pipe fittings and valves, Submersible Pump Adaptors and column pipe accessories.
- ◆ CI and DI manhole covers, Brackets and gratings.
